SALE CONDITIONS (INCLUSIVE NOT EXHAUSTIVE)

1. The materials will be sold in convenient lots. In the case of timber, the total number of logs or pieces and their cubical contents in cubic meters will be given, in case of billets and firewood only the cubical contents will be given, while in the case of poles, only their total number will be given. Bids must be offered in rupees per cubic meter for lots of timber, billets and firewood and in rupees per pole for lots consisting of poles.
2. Departmental measurements and classifications must be accepted as final. Intending purchasers are advised and encouraged to inspect each lot before the day of e-tender cum auction and satisfy themselves regarding the species, measurements, quantity and quality/grading of each lot etc. They should seek any clarification on any lot/lots from the staff present there. Complaints regarding measurements, classifications and related matters will not be entertained subsequently. In case of Forest Offence Case material, the measurement recorded in First Information Report (FIR), *Mahazar* and seizure report and other details are applicable and sold on as is and where is basis. No plea of misunderstanding or ignorance or conditions put forth subsequent to any consideration or confirmation of sale shall be accepted. The Principle of "*CAVEAT EMPTOR*" (let the buyer be aware) will apply.
3. No complaints as regards description, quantity, shortage or allowance for hollowness etc., shall be entertained after the e- tender cum auction is concluded, nor shall any claim be entertained on account of such complaint.
4. The Sale Conducting Officer reserves the right to make such change in the timings/sessions of e-tender cum auction as considered necessary, by a notification to that effect up to 24 hours prior to the e-tender cum auction.
5. No person/body, who has been black listed or declared insolvent or who is a defaulter of any payment or lot in any earlier e-tender cum auction or any payment of any kind due to the government of Karnataka, or who is a minor or of unsound mind is permitted to participate in this e-tender cum auction. If such a person/body participates, all monies paid shall be forfeited to the government of Karnataka, and all lots successfully bid by them will be cancelled against their names and also their registration.

ONE TIME REGISTRATION OF ALL BIDDERS

6. All prospective bidders can log in to www.mstcecommerce.com and register themselves as a buyer/bidder. The bidders can register themselves as INDIVIDUAL or as FIRM/COMPANY. Registration will be one time and remain valid for all e-tender cum auctions until the EMD amount is not withdrawn or permitted to be adjusted against a purchase made unless it is blocked for the reason detailed in condition 6 above or cancelled for any specific reason/reasons.
7. A prospective bidder having a PAN or Bank Account that shows its holder to be a firm/company cannot register as an INDIVIDUAL.
8. Registration will be on the basis of correct information and genuine copies of valid documents including PAN, Aadhar number (for individuals only)/GST Registration number (for non-individuals only), Bank Account details and Address and proof of address and successful payment of the Earnest Money Deposit. The applicant prospective bidders will be choosing their own login identity and pass word on the registration portal, which will be activated after the information provided by them is found to be correct, the documents provided/uploaded verified and the EMD received.

The details of information/documents needed for each category of registration will be provided during the course of registration. These include, but do not limit to PAN, Aadhar/GST number and proof of address.

9. **A person/body registered with MSTC with the facility of viewing and participating in all e-tender cum auctions need not register again provided that they have paid an Earnest Money Deposit (EMD) of Rs.20000 (Rupees Twenty Thousand only) to MSTC.**
10. On-line Registrations will commence from 12:00 hrs. of **01st November 2017** and end 120 minutes before the commencement of a session for all e-tender cum auctions. Once registered and EMD paid, registration will be valid for all sessions of all e-tender cum auctions unless and until the EMD is requested to be withdrawn provided that there is no default/delay in making any payment for purchase on any lot in any depot or violation of any of the sale conditions or both.

11. The EMD of Rs. 20000 can be paid by any banking mode of transaction including RTGS, cash payment in banks, online net banking, bank transfer, through Demand Draft etc. in the account of MSTC the details of which will be made available during the course of registration.

For the present, the remittance can be made to –

In exceptional cases the Sale Conducting Officer will collect the EMD in cash/ Pay Order/ Demand Draft drawn in favor of "Deputy Conservator of Forests, ABC division" upto 2 hours before the e-tender cum auction session commences.

12. Registration is not a matter of right for any prospective bidder/applicant. The Sale Conducting Officer may, for reasons detailed in condition 5 above, or if any of the information provided during registration is found to be incorrect, or if any of the documents submitted/uploaded during registration is found to be invalid/fake/outdated etc. or for any other valid reasons refuse to register the applicant as a bidder and refuse to open the process of e-tender cum auction for him/her/them.

ABOUT THE LOT ROLL

13. The lot roll will be visible to all registered bidders **at least three calendar** days before the date of sale on the web site www.mstcecommerce.com. The lot roll can be viewed after the bidders log in with their chosen login and password.
14. The lot roll will display session wise information about the kind, species, quantity, class and number of pieces (where applicable) included in each lot. In case of timber, there will be provision to see the individual measurements of each log constituting the lot by the bidder. However, these are to be read and understood with the caution and advice detailed in condition 2 above.

HOW TO OFFER RATES, COMPETE AND OUTBID

15. On the day of e-tender cum auction sale, the actual sale will take place in Four sessions. The first session will be from **10:00 hrs. to 10:45 hrs.**, the second from **12:00 hrs. to 12:45 hrs.** the third from **14:00 to 14:45 hrs.** and the forth from **16:00 to 16:45 hrs.** In each session, no more than 150 lots will be exposed and made available for the purpose of offering rates and bidding. The exact number, the lot wise details of each session can be seen in advance as detailed in condition 14 above. Registered bidders can see the session wise lot roll and participate in the e-tender cum auction sale process by logging in with their login id and password only.
16. When the session opens, the lot wise details of lots put for sale and a price called the Minimum Bid Price (MBP) [In Rupees per cubic meter for timber, billets and firewood and in rupees per pole for lots consisting of poles as mentioned in condition 1 above] will be shown against each lot. MBP is the value in rupees below which no rate/bid will be acceptable i.e. no matter what the rate quoted may be, the sale will be rejected. The online system may or may not be programmed to refuse rates/bids below MBP. MBP is not the upset price of the lot, but a price equal or below the upset price. It may however be borne in mind that quoting a rate above MBP does not guarantee that the lot will be sold to the bidder quoting the rate highest above MBP. This is because, the highest quoted rate above MBP may still be below the Minimum Reserve Price defined in condition 17 below.
17. There will also be a price called the Minimum Reserve Price (MRP) which is fed in the system by the officer competent to sanction sales where price received is below the upset price. MRP is the price below which, in the opinion of the sanctioning Officer, it is not wise/advisable to dispose the said lot. The Minimum Reserve Price for any lot will be known only to the officer competent to sanction it, and will not be visible/revealed to anybody at any point of time.

Lots which receive the upset price bid or higher will generally be confirmed in favour of the bidder offering the highest valid bid, except for reasons to be recorded by the Sale Conducting Officer/MRP sanctioning officer in writing and its communication to his/her immediate higher authority or such officer as may be notified by the Principal Chief Conservator of Forests (HoFF), Karnataka, within 7 working days of the completion of the e-tender cum auction.

18. During each session, registered bidders can offer rates for any of the lots offered for sale in the session. While offering their rates [In Rupees per cubic meter for timber, billets and firewood and in rupees per pole for lots consisting of poles, as mentioned in condition 1 above], they can also see the highest rate offered for that lot as of that point of time. The identity of the highest bidder will not be visible to any bidder. **Bidders are advised to check whether the highest bid shown in the process of bidding is theirs or not as more than one bidder might have offered that rate.** Bidders can only increase and revise their bids by entering the bids in the system any number of times within the session. **They can also avail the facility of "autobid" provided by the software under which the sale is taking place.** Bids will be permitted to be enhanced by the system on or above a fixed minimum increase (it will be known at the time of bidding) depending on the lot.
19. On or less than five minutes before the session ends, i.e. 10:55 hrs. for Session I, 13:25 hrs. for Session II and 15:55 hrs. for Session III, should a fresh valid and highest bid be received, an additional time of 5 minutes (called delta time) will be provided for that particular lot for a further higher bid. If a higher valid bid is received within this delta time, the delta time for that lot will be extended further 5 by minutes from the time this higher valid bid is received until, in some delta time no valid higher bid is received. This increase of delta time will be irrespective of whether time for the next session has been commenced or not. Active bidding lots of the previous sessions will not be carried to the subsequent sessions of the depot automatically, but continue independently in a different screen window.
20. The result of the sale of lots (Except those within active delta time at 11:45 hrs.) of the 10:00 hrs. to 11:00 hrs. Session I will be available on the MSTC website www.mstcecommerce.com on or before 12:00 hrs. of the second Session of 12:30 hrs. to 13:30 hrs., (Except those within active delta time at 14:15 hrs.) on or before 14:30 hrs. and the third Session of 15:00 to 16:00 hrs., (Except those within active delta time at 17:45 hrs.) on or before 18:00 hrs. Result of lots that were within active delta time at 17:45 hrs. will be available on the MSTC website www.mstcecommerce.com on or before 09:00 hrs. the next day, provided that bidding for those lots has been completed by then.

AFTER THE E-TENDER CUM AUCTION SALE

21. Within 24 hrs. of the completion of the sale of the depot, each successful bidder (those who have succeeded in getting at least one lot in the sale) will be informed by MSTC on the email he/she/they have given/updated in their registration, as to the number, lot numbers and details of lots they have succeeded in getting, the payments that are due from them and by which date and time the payments need to be made lest they lose their EMD or/and the sale made in favour of them cancelled or/and other measures be taken against them as per law as procedure.

The email will be followed by a confirmation letter by SPEED POST/REGISTERED POST from the Sale Conducting Officer too. In case of any difference in the content of the email and Sale Conducting Officer communication, the content of the latter will be considered as last and final.

However, **for computation of the days for the payments, the date on which the email was sent or the date on the letter of the Sale Conducting Officer was received by the successful bidder, whichever is earlier, will be counted as the day zero.**

22. Successful bidders should make payment for the lots purchased to the Karnataka Forest Department by crossed Pay Order/Demand Draft in favor of "Deputy Conservator of Forests, ABC division" payable at "ABC" or through challan in any branch of selected banks.
23. The Successful bidder should pay one fourth the amount of bid value along with all taxes, fees, surcharges, cess etc. within three banking days (of Karnataka) of the date on which the email was sent or the date on the letter of the Sale Conducting Officer was received by the successful bidder, whichever is earlier (this date will be counted as day 0). Delay in this payment will result in cancellation of the confirmation of lots in favor of the bidder, cancellation of the registration of the bidder, forfeiture of the EMD available besides taking such other measures as may be as per law. Lots so cancelled will be resold, and any less value recovered or loss caused to government in the resale, will be recovered from the defaulting bidder as if it were an arrears of land revenue under section 109 of the Karnataka Forest Act, 1963.
24. After the one fourth the amount of bid value along with all taxes have been paid to the Karnataka Forest Department within the prescribed time and mode, the balance three-fourth value should be paid in the same way within 60 days of the of the date on which the email was

sent or the date on the letter of the Sale Conducting Officer was received by the successful bidder, whichever is earlier (this date will be counted as day 0). Should this last day be or later notified as a banking holiday in Karnataka, the next banking day in Karnataka will be counted as the 60th day.

25. **Successful Bidders/Purchasers will not be reminded about the last date for payment of the balance $\frac{3}{4}$ th amount. They will have to make their own arrangements to remit the balance amount within the due date.**
26. If a successful bidders fails to pay $\frac{3}{4}$ th amount within stipulated time of 60 days of the of the date on which the email was sent or the date on the letter of the Sale Conducting Officer was received by the successful bidder, whichever is earlier (this date will be counted as day 0), the Deputy Conservator of Forests is authorized in exceptional circumstances, for reasons to be recorded by him/her in writing, to extend for 21 days as per after collecting extension fees and penalty along with penal interest @ 18% for the period after the 60 day limit and on the amount outstanding. In case or default after the period of 60 should there be no appeal is made for extension within the 61 to 81 day period the lots confirmed in the name of the defaulting purchaser will *suo moto mutatis mutandis* be cancelled, and result further in his/her/their cancellation of the registration as bidder, forfeiture of the EMD and all payments made and available, besides taking such other measures as may be as per law. Lots so cancelled will be resold, and any less value recovered or loss caused to government in the resale, will be recovered from the defaulting bidder as if it were an arrears of land revenue under section 109 of the Karnataka Forest Act, 1963.
27. All fully paid-for material will remain in the Depot at the risk of the purchaser from the date of issue of release order and the Government will not be responsible for its loss or damage by theft, fire and other natural causes during the period it is allowed to remain in the Depot.
28. Timber purchased shall not be permitted to be removed by the purchaser unless:
 - (i) the timber sold is stamped by the Depot Officer; and,
 - (ii) its removal is authorized by the issue of a permit (Transit pass) in the prescribed form by the Depot Officer.
29. All the material purchased and paid for must be removed from the Depot within Ninety (90) days of the of the date on which the email

was sent or the date on the letter of the Sale Conducting Officer was received by the successful bidder, whichever is earlier (this date will be counted as day 0). Failure to comply with this condition will entail forfeiture of all amounts paid together with all un-removed material lying in the Depot being re-sold without any further intimation to the purchaser.

30. The e-tender cum auction Sale Conducting Officer reserves the right to increase or decrease the total quantity put to sale.
31. Only Indian citizens/firms/companies are eligible to participate in the e-auction.
32. All disputes arising between a bidder/purchaser and the Sale Conducting Officer shall be settled by the jurisdictional Chief Conservator of Forests. Appeals against the orders/decisions of the Chief Conservator of Forests shall be referred to the Additional Principal Chief Conservator of Forests (Forest Resource Management), Bengaluru, whose decision shall be final and binding.
33. Defaulters, Blacklisted persons, Forest offenders and persons who have participated in offence cases in other parts of the State shall not be ordinarily allowed to register. If such persons participated in e-auction by oversight, EMD and any other sums paid by them shall be forfeited to Government and action will be taken as per rules
34. Each purchaser shall, pay the APMC fee to the concerned market committee as required U/S. 65 (2) of Karnataka Agricultural Produce Marketing (Regulation) Act 1956 immediately after the sale.
